Congratulations!

Today is your day.

You're off to Great Places!

You're off and away!

You have brains in your head.  
You have feet in your shoes.  
You can steer yourself  
any direction you choose.  
You're on your own. And you know what you know.  
And *YOU* are the guy who'll decide where to go.

You'll look up and down streets. Look 'em over with care.  
About some you will say, "I don't choose to go there."  
With your head full of brains and your shoes full of feet,  
you're too smart to go down any not-so-good street.

And you may not find *any*  
you'll want to go down.  
In that case, of course,  
you'll head straight out of town.

It's opener there  
in the wide open air.

Out there things can happen  
and frequently do  
to people as brainy  
and footsy as you.
