

# What Happened to You?

Joe was playing his favourite game.

It had sharks.

And possibly  
crocodiles.

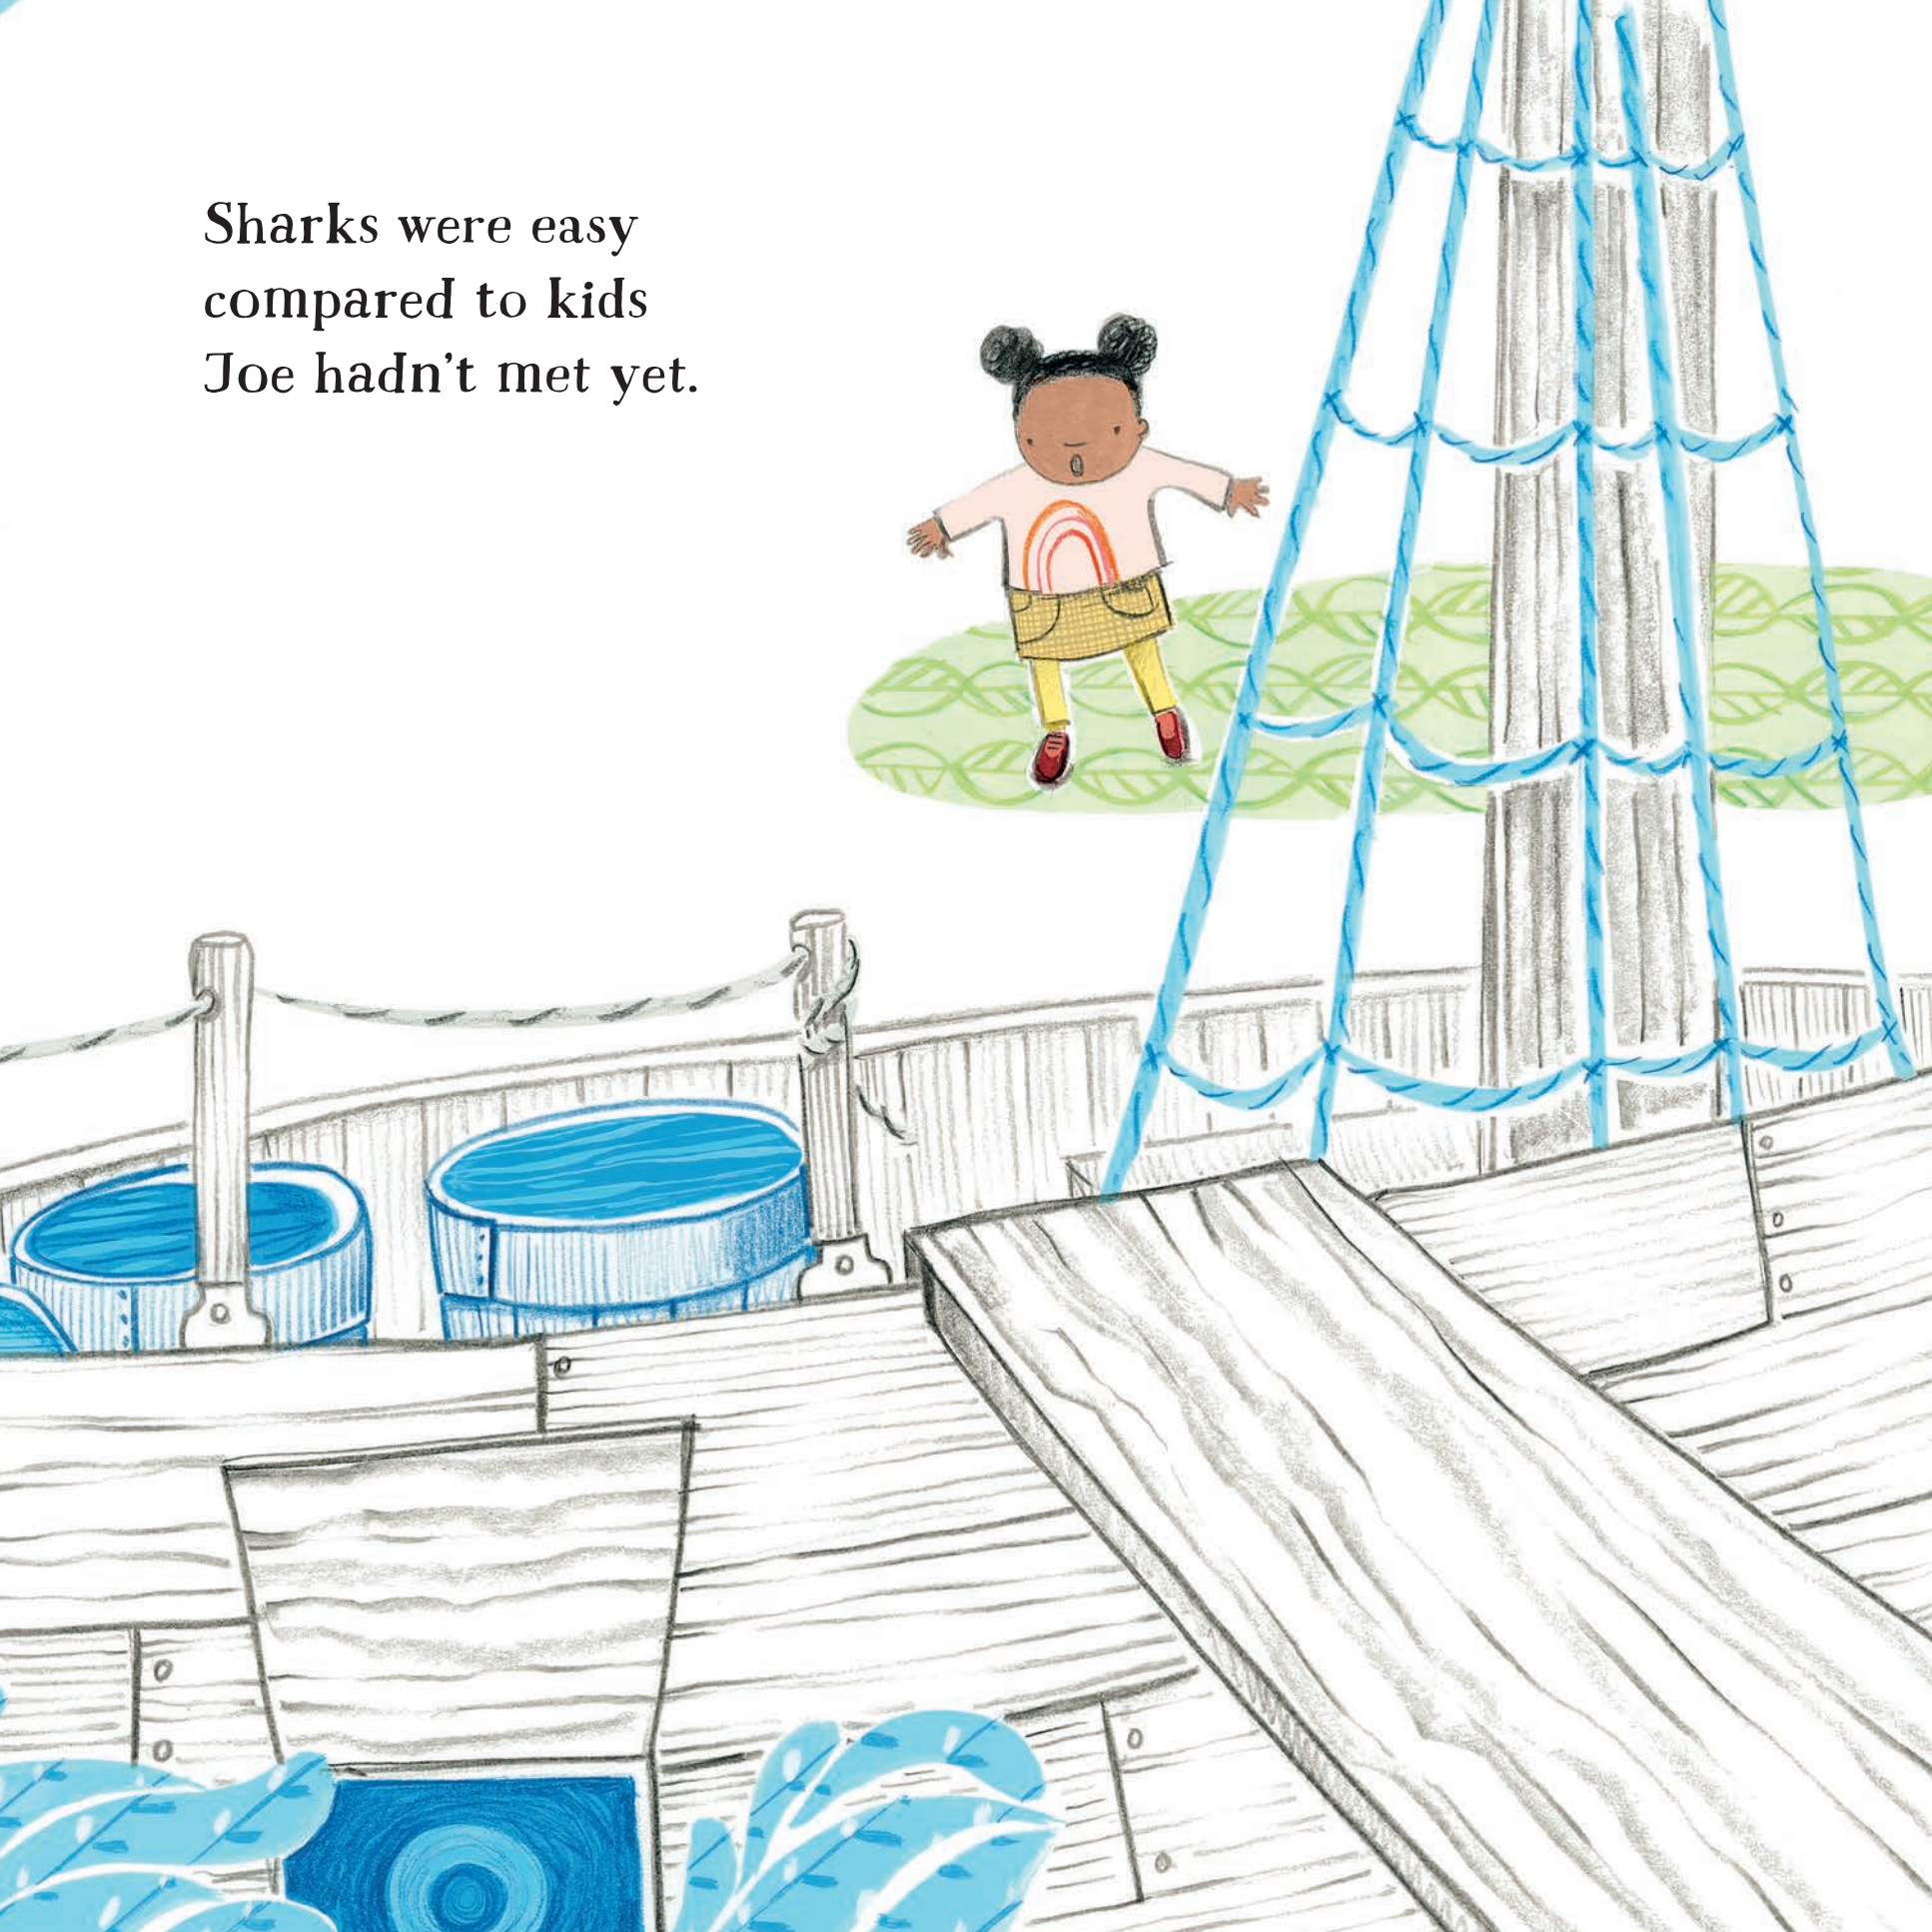

**But crocodiles and sharks were no match for pirates like Joe.**

“Not this time, Señor Sharkface!”

Sharks were easy  
compared to kids  
Joe hadn't met yet.

**“YOU’VE ONLY  
GOT ONE LEG!”**

said a kid.

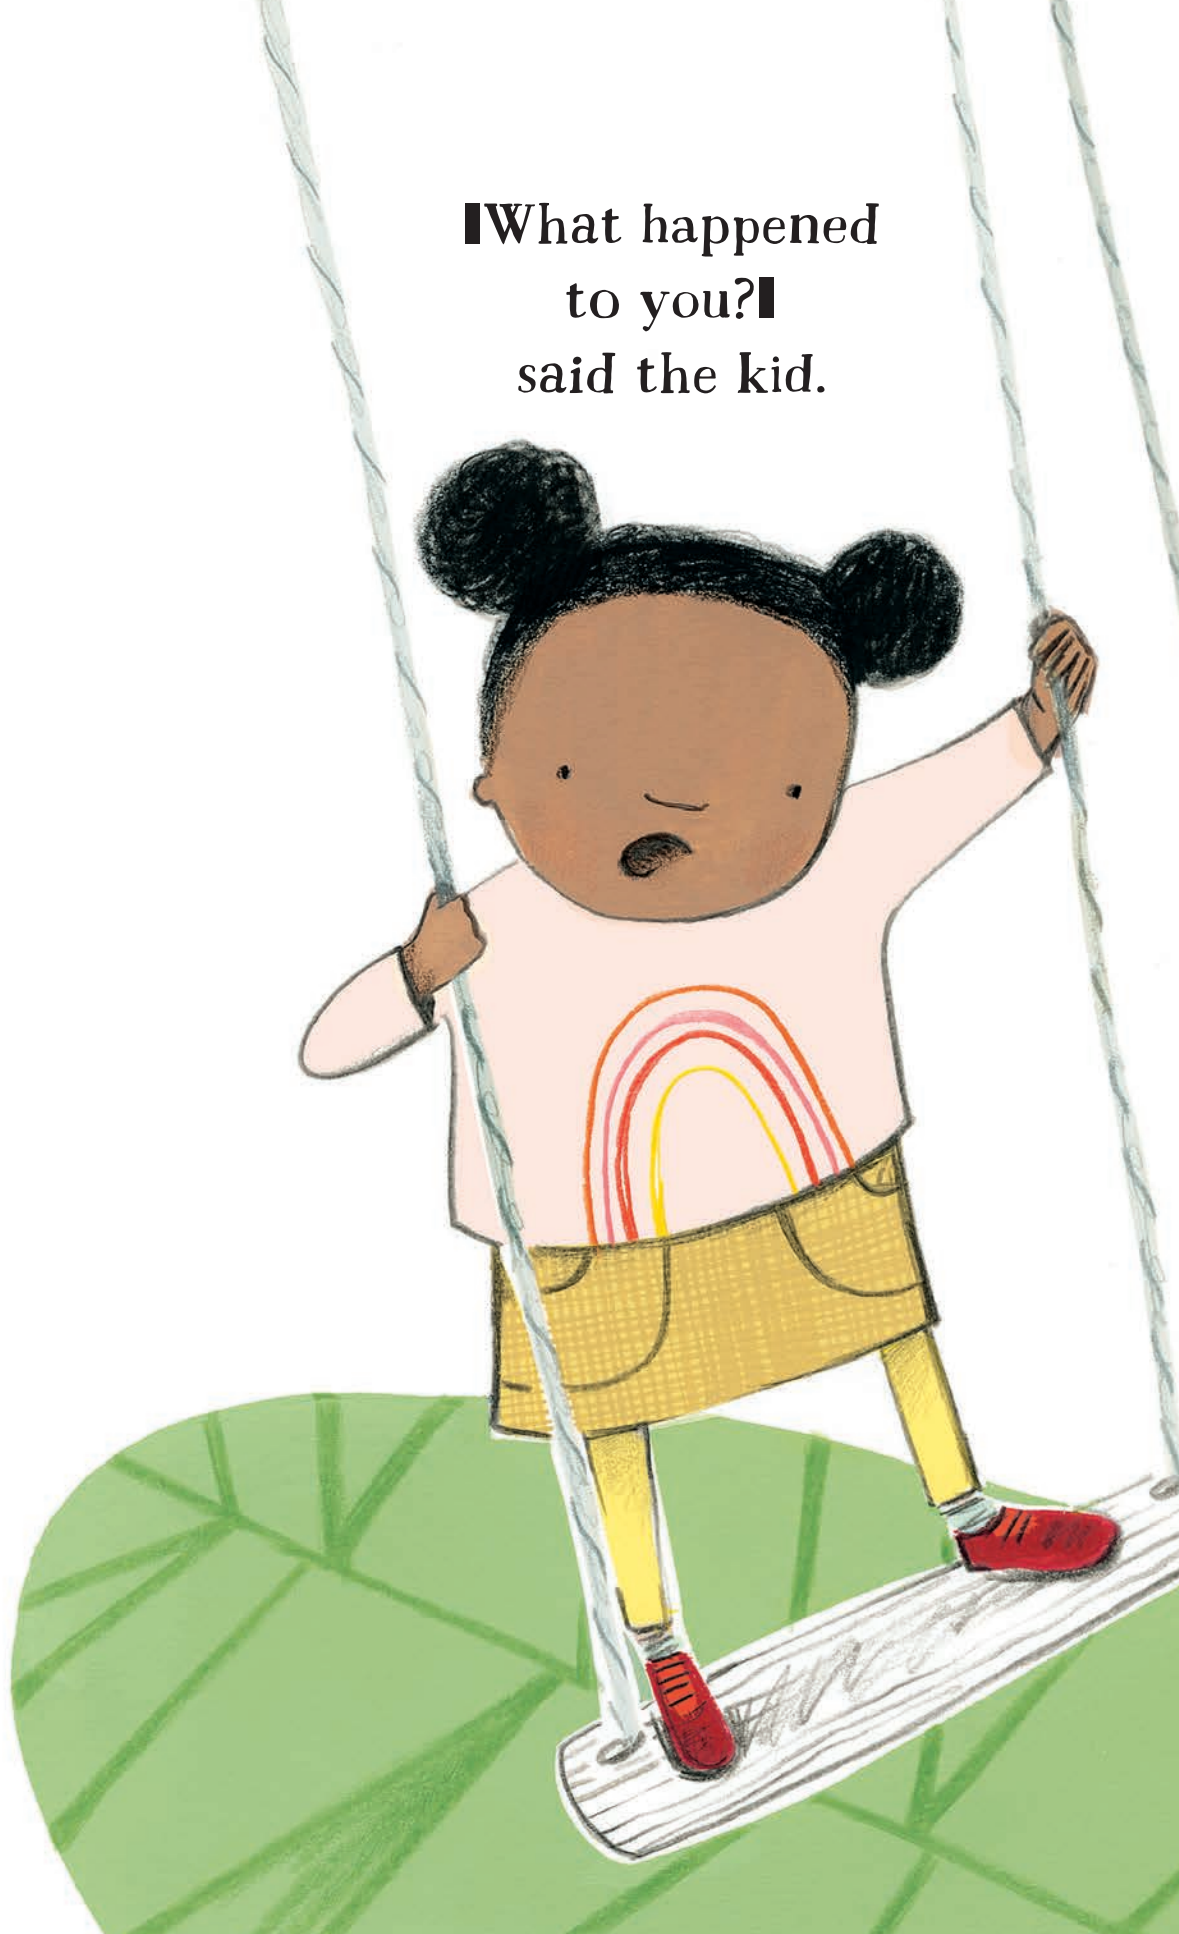

“Yup,” said Joe.

“And you’ve just  
squashed my shark.”

■What happened  
to you?■  
said the kid.

But Joe didn't feel like  
telling *that* story,  
so he just said,  
"What do *you* think?"

"Ummm . . ."

The kid didn't know  
how to answer that.
