So Pigwitch concentrated with all her might.

she **screwed up** her eyes,

she **hopped** on one foot,

She even **stood on**  
her head.

Finally, just when she had given up hope . . .

She felt a teeny, tiny spark inside her.

First it **fizzed** behind her eyes,  
growing larger and larger.

**Tingled** her toes!

**Tickled** her bottom!

And . . .

Then it **rushed** through her tummy!

“Hurrah!”  
shouted the cow.

“Hurrah!”  
clucked the chickens.

ZAP!

“Oh, my goodness!” said Pigwitch.  
“The wise old pig was right!  
My tail does the job much better  
than any wand!”

“Hurrah!”  
sang the cats.
