Each of these animals is suited to the environment in which it lives. If the environment changes, animals may die.

Key

-  fox
-  squirrel
-  camel
-  panda
-  tiger
-  giraffe
-  howler monkey
-  Andean condor
-  polar bear
-  kangaroo
-  crocodile
-  penguin
-  whale
-  bobcat
-  grey wolf

Choose an animal from each continent.

Can you say why it is especially suited to its environment?
