Summer's here!

When the school year comes to an end, it's time to leave the building, enjoy the sunshine and have **FUN-FUN-FUN**. It's holiday time!

Find out what all my friends from Longfellow School like to do over the summer by completing this little word puzzle that I wrote in my notebook.

Fill in one letter on each line to make two new words. The missing letter will be the last letter of the first word and the first letter of the second word, e.g.

OA **OCK**

PEA **AT**

FAC **ASY**

BEL **OVE**

SE **PE**

BO **-RAY**

Rocking Reports

At the end of the school year, Mrs Brisbane gave Og and me our very own school reports. I'm delighted to say we both got unsqueakably straight As! Do you know what our best subjects were? See if you can fill in the missing letters.

Humphrey's Noises

Longfellow School can be quite a noisy place, sometimes! When I was taken out of school for the summer, I missed some of those noises at first. Still, there was always the familiar **SCREECH** of my wheel going round and round!

Can you remember some of these school sounds and match up them up to who or what is making them? Just draw lines between them.

1. **Boing!**

2. **Giggle!**

3. **Tick-tock**

4. **R-r-ring!**

5. **Creak!**

6. **Squeak!**

7. **Rattle-rattle-rattle!**

Design a Pencil Top

Nobody knows that I have a lock-that-doesn't-lock on my cage door! One time I secretly got out and explored Garth's desk. He had a cup full of wonderful pencils: a smiling monkey, a shining star, an orange pumpkin head, even a rocket! I was impressed!

Can you design some creative pencil tops? Maybe a frog – or a hamster?
