Everyone wanted to go riding.
Tilly found her old tricycle, but it was too small.

*"You must have grown, Tilly,"
said Pru.*

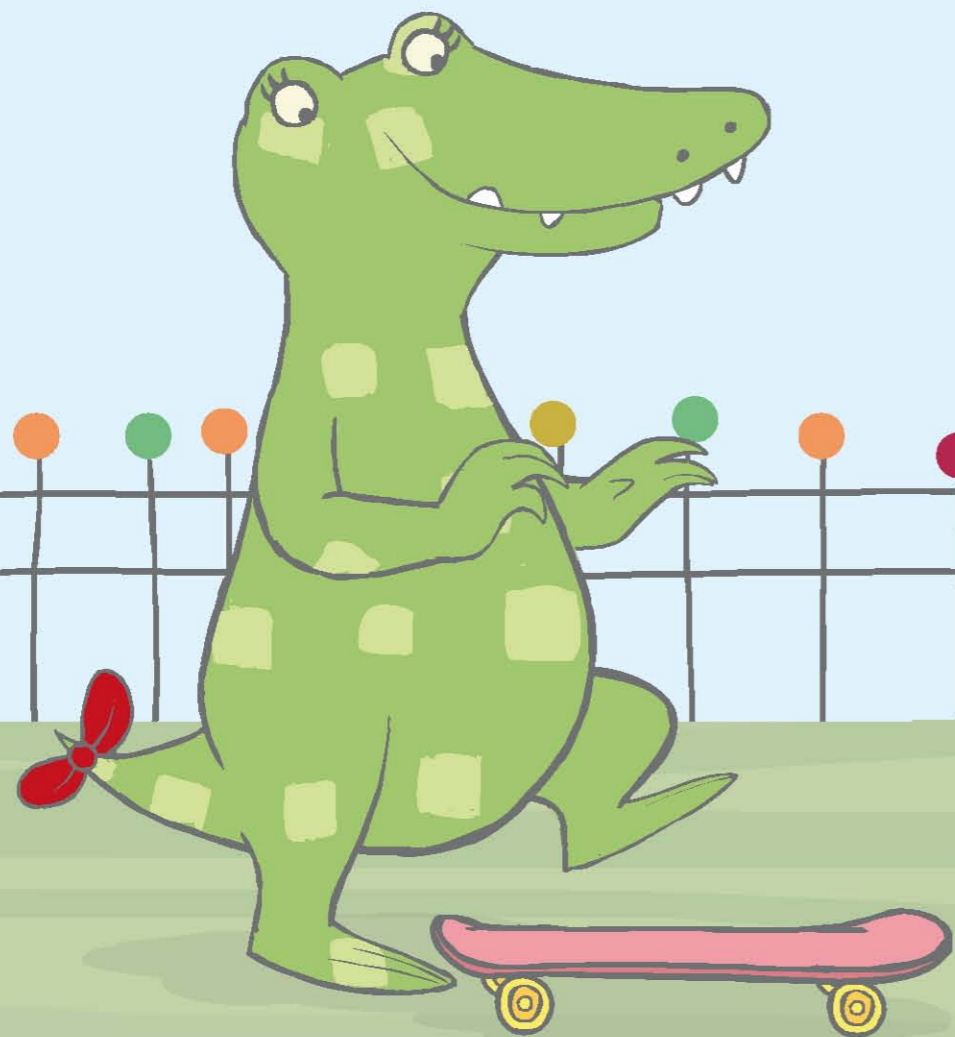

It was a perfect fit for Hector.

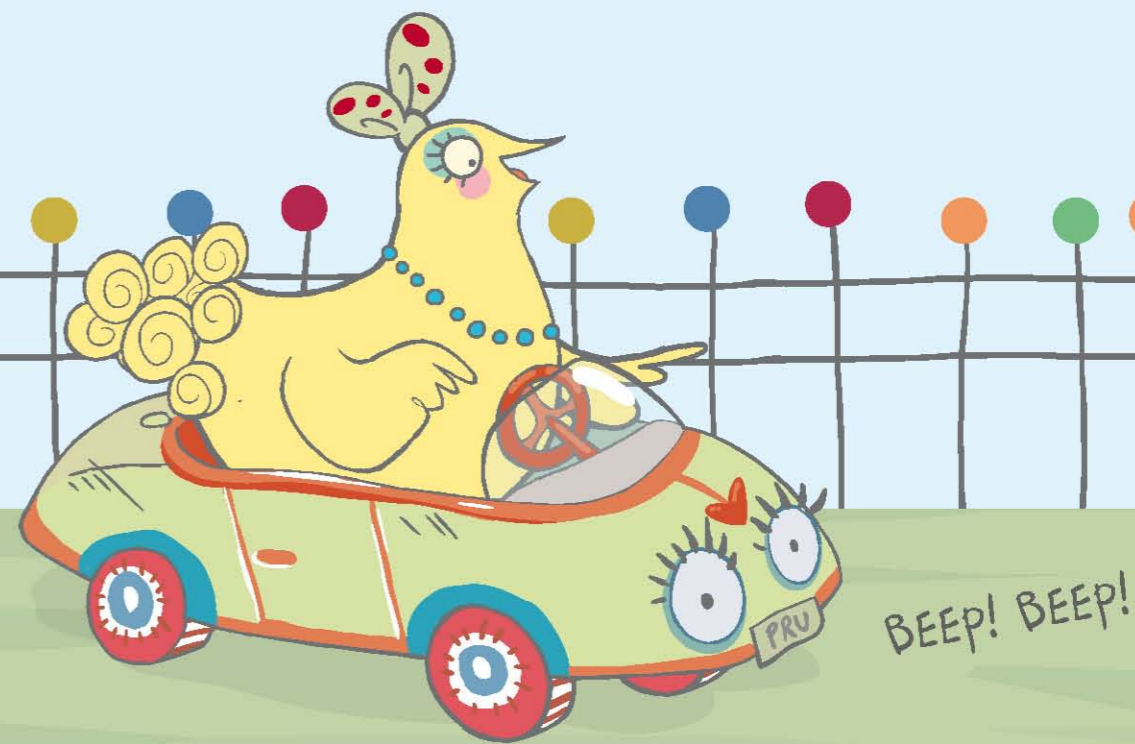

He rang the bell and pedalled off.

Ding!
Ding!

Beep beep.
Pru whizzed by in her car.

Doodle found a skateboard.

"pru coming through!"

BEEP! BEEP!

It looked just the right size for Tilly.

"I don't know,"
she said.
"It's quite big."

Tumpty found a nice red bicycle.
